2024/2025 Sponsorships

About Us

East Valley Firefighter Charities is a 501C-3 organization which represents over 1000 firefighters from the East Valley. The firefighters represent the Mesa Fire and Medical Department, Gilbert Fire and Rescue Department, Queen Creek Fire and Medical Department, Superstition Fire and Medical Department, Salt River Fire Department, Gila River Fire Department, Fort McDowell Fire Department, Florence Fire and EMS Department, and Fountain Hills Fire Department.

Charity

Our Charity account fund enables us to assist organizations and individuals in diverse ways. Through our daily operations responding to 911 incidents, we encounter various needs in our community. Whether it's assisting a homeless individual or family in finding housing, ensuring an elderly citizen receives essential medication, replacing or repairing a broken wheelchair for a father of four with Muscular Dystrophy, or providing support to a family devastated by a house fire, where they lost everything—we are committed to making a meaningful impact. We greatly depend on our members to inform us about these needs so that we can offer timely assistance.

Relief

The East Valley Firefighter Charities Relief Fund is dedicated to supporting public safety personnel throughout the State of Arizona. We provide assistance to firefighters, dispatchers, police officers, and ambulance personnel facing various challenges. This includes illnesses such as cancer, injuries both on-duty and off, and family emergencies. Additionally, we organize fundraisers and facilitate GoFundMe campaigns as necessary. Together, we operate as a cohesive family, steadfast in our commitment to supporting one another in every circumstance
